

SCOTS LANGUAGE TEACHING MATERIALS DESIGNED FOR THE 5-14 CURRICULUM

TEACHERS' STARTER PACK: A comprehensive reference pack full of essential materials for use by teachers in teaching Scots language. Includes word lists; a list of usages & idioms; a comprehensive book list, lists of Scots words derived from other European languages; guidance about writing in Scots and about spellings; and some useful contact addresses and phone numbers.

SCOTSHEETS: Three packs now available. Each pack consists of 20 double-sided A4 sheets, each on a different topic ranging over the natural world, history, poetry, songs and stories, along with some suggestions for class work. Optional cassette with all packs.

THE FOWER SAISONS: A large resource pack of material which consists of poems, songs, stories and short one-act plays on each of the four seasons. Also contains brief snippets of historical information. With cassette.

SCOTCAIRTS: Three packs now available. Each pack consists of five laminated A4 size wall cards with Scots phrases, proverbs and sayings.

WARK PAST AND PRESENT: A new large resource pack is in preparation thanks to Scottish Arts Council funding. It will contain factual and historical information, stories, poems, songs, plays for the classroom, games, illustrations and maps, all connected with the farming, fishing, mining, textiles, ship-building, oil production, distilling and tourism of the past and the present day, based on the use of Scots. Two cassettes will accompany the pack with the poems, songs and stories on them, and there will be suggestions for work in the classroom, further reading and for creative writing.
